

MOULD AND TOOLING AGREEMENT

This Mould and Tooling Agreement governs the ownership, maintenance, and usage of production moulds created for manufacturing customized goods.

Article 1 Tooling Development & Cost

1.1 The Buyer agrees to pay tooling development costs totaling USD [Amount]. Upon full payment, the ownership of the moulds shall vest exclusively in the Buyer.

Article 2 Storage & Maintenance

2.1 The Manufacturer shall properly store, maintain, insure, and repair the moulds at its own expense during production life.

Article 3 Prohibition of Unauthorized Use

3.1 The Manufacturer shall not use the moulds to produce items for any third party without the express written consent of the Buyer.

Article 4 Inspection & Acceptance of Samples

4.1 Mould trial samples shall be submitted to the Buyer for approval before mass production begins.

Article 5 Return of Tooling

5.1 Upon termination of cooperation or request by the Buyer, the Manufacturer shall return or transfer the moulds to the Buyer promptly.

Article 6 Governing Law

6.1 Governed by PRC law.

IN WITNESS WHEREOF, the parties hereto have executed this Contract as of the date first written above.
