

QUALITY ASSURANCE AGREEMENT (QAA)

This Quality Assurance Agreement sets forth the quality standards, inspection mechanisms, and liability for defects between the Buyer and the Chinese Supplier.

Article 1 Quality Standards

1.1 Products must comply with national standards of China (GB standards), international standards (ISO/CE), and Buyer's specific specifications.

Article 2 Inspection & Testing

2.1 Pre-shipment Inspection (PSI): Buyer or third-party inspector (e.g., SGS, TÜV) shall have access to inspect goods before shipment.

2.2 AQL (Acceptable Quality Limit) standards: Major defects [1.0], Minor defects [4.0].

Article 3 Defective Goods & RMA

3.1 If defective rate exceeds the agreed threshold, the Buyer has the right to reject the entire batch or demand free replacement within [Number] days.

Article 4 Product Safety & Compliance

4.1 The Supplier warrants that all products comply with environmental regulations (RoHS, REACH) and product safety laws of importing countries.

Article 5 Dispute Resolution

5.1 Quality disputes shall be resolved based on joint inspection or certified laboratory testing results in China.

IN WITNESS WHEREOF, the parties hereto have executed this Contract as of the date first written above.
